III. Campus Guide & Important Notes

1. Dormitory Exclusively for Graduate Students

Daegu University offers rooms in the International House(국제2관) exclusively for graduate school students to enhance their academic achievement and facilitate research. All Global Korea Scholarship students can stay in the International House if they want. Currently there are 60 graduate students in 30 rooms and each room is equipped with a refrigerator, a TV and a balcony, beds, desks and chairs, and more (washing machine on each floor). And with 15 cafeterias available on campus, students can choose food on their own taste.

2. Important notes for applicants

- A. When using Korean domestic postal service, the application materials should be post until the day of the application deadline (documents must be sent by express registered mail). In case of international airmail, document should arrive before the deadline.
- B. Please notice the following items before submitting your application document :

- All documents must be originals
 - ※ All documents not in English or Korean, must be translated and notarized. A copy of applicants' diploma certified by the university (with university stamp) can be substituted with the originals.
- Apart from the documents required by the NIIED, another certificate showing the relationship between the applicant and his/her parent should be submitted (this should include information about the nationality of parent).

3. Additional Information (Support for GKS Students)

A. Administrative support: Daegu University tries its best to assist Global Korea Scholarship(hereafter GKS) Scholars with the best service. We provide full support to GKS students including academic counselling, dormitory management, immigration services, and a variety of other administrative support in cooperation with the International Affairs Office so that the scholars can devote themselves to their study under less cultural shock and emotional difficulties.

We have personnels who can speak English, Chinese, Mongolian, Vietnamese and other languages who can facilitate students' communication and ensure better adjustment.

B. Administrative, Counselling

- Daily Support: We keep our students informed about important information such as scholarship and other useful information through email and our web-site.
- Academic Counselling : At the completion of their Korean Language program and their entrance to the Graduate School, students are provided with counselling by their advisers and assistants from each department. Daegu University does its best to minimize the difficulties students may encounter in living and studying.

C. Scholarship and Welfare Support

- Reasonable accommodation exclusive for international students : appro. USD 910 for twin-bed room for six months.
- Modern sports center serviced in a quote reasonable price available near the dormitory (golf, swimming, health club, movies etc)
- Besides the Global Korea Scholarship, Daegu University provides extra scholarships to encourage students' academic achievement and better thesis.
 - Level A : when publish thesis in an international academic journal – maximum 1.5 million won of scholarship providable
 - Level B : when publish thesis in a journal accredited by the National Research Foundation of Korea or in case awarded in an international exhibition - maximum 700 thousand won of scholarship providable
 - Level C : when publish thesis in a journal accredited by the National Research Foundation of Korea or in case awarded in a national contest -maximum of 500 thousand won providable
 - Level D : when publish thesis in international or national general journals -

maximum of 300 thousand won

- Level E : maximum of 200 thousand won providable when scholars give presentation at international or national academic conferences

D. Orientation and Korean Cultural Experience Programs

- Academic orientation for newcomers

Classification	Contents	notes
Orientation	<ul style="list-style-type: none"> - Campus tour - Guide to the dormitory life - Visa information - Useful information on campus 	Offered in different languages (English/Chinese/Mongolian/Vietnamese and more)
Course Enrollment and Academic Counselling (at the beginning of each semester)	<ul style="list-style-type: none"> - Introduction to courses available - Instruction on how to enroll - Classroom and time information 	

- Cultural experience programs such as exploring famous sites, visiting secondary schools to promote their own countries, Dokdo speech contest, Korean speech contests, university festival, food festival are scheduled all the year around so that scholars can understand Korean culture better and more easily adapt themselves to new environment.

E. Mentoring program

- Mentor selection : Professors, staff or students who have wide understanding to different cultures can be selected as mentors for international students. Those who are interested can apply for this program.

F. Other programs : there are other programs available also like buddy program, sports meetings for international students, International Students' Night and regular social gatherings.

G. Academic support for graduate study

- Before entering into graduate programs, students are offered on request with interviews with advisers to evaluate their linguistic abilities and to prepare study.
- At the beginning of each semester we also give counsels on students' academic progress.

1. About Dongseo University

- Dongseo University was founded on the Christian tenets of 'Love God' and 'Love the neighbor'.
- Dongseo has become a hub university in Asia with a global network of over 150 international sister schools and industry affiliates.
- Offering innovative education is a key focus of Dongseo University.
- Students give back to local and International communities through outreach programs.
- Dongseo University is first in its region and top-7 nationally in career placement.

2. The Graduate School of Dongseo University

- The Graduate School of Dongseo University was established in 1996 in the spirit of Christianity with the purpose of researching advanced theories and teaching practical skills. The Graduate School began with just a single major (Electronic Engineering) but has since expanded to currently include 8 master's programs and 5 doctoral programs.

Our graduate school has a vision to foster the most competitive experts in the world. The research we conduct trains students to be leaders in their fields through combining high-quality education and academic-industrial cooperation.

We invite you to follow the links below to explore the exciting study opportunities available in the Graduate School of Dongseo University.

3. Specialized Majors

1) Visual Contents

- As the 21st century becomes increasingly information based, demand for experts in IT fields will continue to grow. The Graduate School of Visual Contents at Dongseo University to meet the coming demand by nurturing creative and highly skilled human resources to lead the visual industry sector.

Visual Contents includes areas such as video games, animations, special effects, visual marketing/promotion, etc. Students previously majoring in engineering will be able to gain artistic sensitivity, and students previously majoring in art will be able to gain skill in engineering.

The Graduate School of Visual Contents offers an interdisciplinary program that helps students develop their understanding of fundamental technologies and theories needed for working within related industry fields, teaching at universities or developing new ideas at research institutes.

2) Ubiquitous IT

- Rapid developments in computing fields and IT, along with ready access to broadband and high-speed communication services, have made Ubiquitous IT a key component of our information-oriented society. This new paradigm for digital interaction creates countless possibilities for innovation and

development. The prevalence of Ubiquitous IT will increase in years to come and so too will the demand for personnel able to create Internet application services, multimedia contents, games and animations. Other necessary skills will involve installing and maintaining various types of networks.

The Graduate School of Ubiquitous IT at Dongseo University is focused on IT technology including software, hardware and application fields. Our graduate school emphasizes not only theory but also field experience so students can acquire the knowledge and skills they need to work in industry or academia.

3) Bio-Chemical Engineering

- The department of Biotechnology offers varied educational opportunities which enable students to adjust to globalization and our modern information based society. The purpose is to contribute and strengthen national competitiveness, by nurturing our professional human resources for the future biotechnology industry.

Biotechnology is a field for applied engineering combined with several disciplines such as chemistry, biology, engineering and genetics. Biotechnology includes the study of microorganisms, cells of animals and plants. It also covers the analysis of cell functions and engineering parts. The study of biotechnology ranges from food and medicine to the engineering aspects of these subject matters.

4) MBA

- A global business world has opened. The world needs practical managers with expertise in globalism to change the world. The Busan-Fukuoka Cross-Border Graduate School of Business Administration is established to educate experts who will lead in the development of the Busan-Kyushu region. The graduate school offers the best curriculum for fostering of professional business managers who will be well informed on both domestic and international economic matters, as well as international business management.

III. About Ewha

Overview:

Ewha Womans University was founded in 1886 as the first educational institution for women in heart of Seoul, Korea. Ewha is one of the Korea's most prestigious private universities and the largest women's university in the world. Around 200,000 students have graduated from Ewha, and 25,000 students are studying in 11 colleges and 15 graduate schools. Ewha's vast alumni network comprised of almost 200,000 graduates will also be a great resource for international students to draw from, before and after graduation, as they explore new opportunities and pursue their dreams on the global stage.

Since 2008, Ewha Womans University has been selected as one of the Korean Government Scholarship Program(KGSP) universities. Ewha has accepted KGSP students from manifold countries and it is one of the most popular destinations for KGSP students. Currently 97 students from 59 countries are studying various majors in Ewha.

Our vision is to nurture competent women leaders who possess a broad mind and global insight. Ewha will help you grow as a global leader, equipped with academic competence and solid integrity.

Important Facts and Figures:

- Ewha's proud pioneers include a long series of Korea's firsts—the country's first woman Ph.D., medical doctor, lawyer, CEO, Minister of Government Legislation, and Prime Minister.
- Among women lawmakers appointed to the 19th National Assembly (2012-2016), 27.6% are Ewha alumnae.
- Departments nationally ranked 1st: English Literature & Language, History, Sociology, Law, Education, Mathematics, Physics, and Environmental Science and Engineering.
- Ewha ranked 5th among Korean universities in Chosun-QS Evaluation of Asian Universities.
- Ewha ranked 5th among Korean universities for the number of successful candidates in the National Judicial Exam and Civil service Exam.

Graduate Dormitory & Important Notes

Facility	Room Type	Homepage
Graduate Dormitory	Double Room	http://dmtrygr.ewha.ac.kr

Ewha Graduate Student Dormitory, designed by Korea's top notch architect Kim Won in September 2006, has an easy access from everywhere on campus and a renown for its beautiful outlook. It serves as a "second-home" to 460 graduate students, international students, students in language programs, professors & researchers from 50 countries all over the world. Along with the Ewha-Samsung international House(dormitory for exchange students) adjacent to it, Ewha Graduate Student Dormitory makes the little "global village of Ewha."

Ewha Graduate Student Dormitory established consists of two 9-story buildings which sum up to 16,597㎡ gross area. It has an inner court with two beautiful lawns that provides a rest for all residents. Especially, 12 glass lighting devices create a romantic atmosphere after sunset. Subsidiary facilities such as computer room, seminar rooms, reading rooms, prayer room, lounge, fitness room, laundry & ironing room, and kitchenettes provide a perfect convenience for residents.

Events on birthdays, Easter, Thanksgiving are great social offerings of dormitory life. With its excellent facility, the dormitory plays an important role in promoting intercultural communication and Ewha spirit within residents.

Important Notes

- (1) Applicants should meet the application requirements for 2015 KGSP for Graduate course.
- (2) Applicants will be accepted for admission through a comprehensive evaluation of her academic ability, achievements and development potential, based on submitted documents (A screening interview may be required of the applicant when necessary. An overseas interview or a telephone interview may be arranged for overseas applicants).

II. KGSP Application (University Quota)

1. Period: February 5 – March 21, 2016

2. Contact: Mr. Hoe-Dong KIM, (Tel.) +82 55 772 0273, (Email) hdkim@gnu.ac.kr

3. Required Documents and Eligibility : in accordance with NIIED

4. Screening : Those who achieve 80 points or above in evaluation will be successfully nominated to the NIIED for the second screening.

5. Important Notes

- A set of documents submitted must be combined by a pair of tongs or pincers (**Do not use stapler to bind them**).
- Only one set of original documents is required to be submitted to GNU. (Extra copies will be prepared by GNU based on your original ones)
- All documents must be presented in **A4-size** papers.
- When choosing an applying university, name of a department or major you choose **must be identical with the official names stated in the list of GNU programs**. (Please refer to the list of GNU programs)
- Documents should be presented in their original forms. In the case of submitting photocopied documents, they must have an official stamp or verification by an authorized institution.
- Individual certificates or documents must be written either **in English or Korean with a notarization stamp** in order of original one front, and notarized one back. These documents include a diploma or certificate of graduation from a undergraduate institution, diploma or certificate of graduation from a graduate institution, official transcripts from undergraduate and graduate institution, certificates of citizenship of an applicant and his/her parents or their birth certificates, and awards.
- Certificate of English proficiency: **Original copy** of TOEFL, TOEIC, IELTS, or TOPIK. (photocopied one will not be recognized.)
- An applicant must maintain grades/marks/score of 80% or higher from the previously attended institution.

* If the transcript is not indicated in grades/marks/scores format, or is difficult to convert into percentages, **attachment of official explanation from the attended institution is required.**

* If an applicant cannot refer to the attended institution, he/she can use a transcript conversion service at <http://www.wes.org>, or <http://www.foreigncreditiats.com>.

Please mind that these websites are fee-based service and GNU will only accept an officially converted transcript by them, but not a sample one.

III. Campus Guide & Important Notes

1. Campus Guide (Resident Hall, etc.)

1) University dormitory

Priority will be given to foreign students. Two students share one room, which has desks, beds and closets. Internet is available in the room.

- Dormitory Fee: ~ USD\$830 for six months(meals not included)

2) Library

You can check out books from the university library after you get your university ID card.

- the maximum number of books a graduate student can borrow: 20 books
- the period for borrowing books: 4 weeks

3) KIMCHI(Korean International Members' Club at Hong_Ik)

KIMCHI members help foreign students adjust to the life at Hongik University by providing a variety of voluntary services such as providing an airport pickup or acting as a buddy.

4) International Student Lounge(ISL)

You can use the above ISL provided by International Center.

2. Important Notes

- 1) "KGSP Guidelines for the Year 2016" will be notified at the website of NIIED in last January of 2016. Then this graduate school will inform the confirmed application guidelines at the website of this school.

- 2) Submitted documents will not be returned to the applicants.

- 3) If the details on the application form are not true or the documents are not properly made out, the admission will be canceled.

- 4) Documents should be presented in their original format.

Documents not in English or Korean must be accompanied by an certified English or Korean translation authenticated by the issuing institution. Should they be unavailable, certified copies (authorized by the originating institution) must be submitted.

- 5) You can see the 2016 KGSP Guideline by our website or NIIED website for checking admission schedule, eligibility for application, required documentation, application procedure etc.

III. Campus Guide & Important Notes

1. Campus Guide_Location

The KOREATECH campus is located in Byeongcheon, near Cheonan city. From KOREATECH, Seoul(South Korea's capital and largest city) is easily reached by bus and it takes 1 hour.

Also KOREATECH offers a number of daily shuttle busses to and from Cheonan and Seoul.

2. Campus Guide_How to get to KOREATECH

■ By Bus

- From the International Airport, take a bus to Cheonan and get off Cheonan Bus Terminal, then take a intercity bus(No.400 or No.401, 1,400 Korean won, app.40 minutes), Daeseong express bus(2,000 Korean won) or taxi to KOREATECH. (app. 20km, 20,000 Korean won)

■ By Express train (KTX)

- Take KTX train and get off at Cheonan-Asan Station, then take a taxi. (app. 20km, 20,000 Korean won)

■ By Train/Subway/Express Bus/Intercity Bus

- Get off at Cheonan Station then take a intercity bus (No.400, app.40 minutes) or a taxi. (app. 17Km, 20,000 Korean won) to KOREATECH.

■ By Car

- Take the Gyeongbu Express Highway and exit through Mokcheon Toll Gate, turn right and proceed straight for 5km.

3. Campus Guide_Major Facilities

■ Dormitories

- Five general dormitory buildings (main corridor, shared shower and toilets)
- One studio-type dormitory building (room with individual shower and toilet)
- One apartment-type dormitory building (3 to 4 rooms for 2 to 3 persons per unit)
- One English-only Dormitory building (same as apartment-type dorms, English spoken) Approximately 70% of all students live in our dormitories.

■ Cafeterias

Three cafeterias are available on KOREATECH campus (Student Cafeteria, Snack Bar, Faculty Cafeteria) and the price of the meals range between 2,500~4,000 won depending on menu item/cafeeteria.

■ Sports Facilities

Sports facilities on campus include outdoor and indoor gymnasium, squash rooms, fitness center, table-tennis rooms, among others

■ Convenience Facilities

KOREATECH convenience facilities on campus include banks, kiosks, coffee shops, optician, bookstore, hair salon, public health center, among others.

■ Library

The Dasan Information Center of KOREATECH which takes its theme from Dasan, Jeong Yak-yong one of the greatest Realist Confucianism scholars of the Chosun period, is a cutting-edge facility with 250,000 books. The library has a special hall for various books on vocational training and specialty publications.

4. Campus Guide_Life on Campus

■ Student ID Card

In general, all international students are required to carry with them at all time an alien registration card registered at the Immigration Office according to the Immigration Act. On campus, international students will be issued student ID cards that are used to enter dormitories and classrooms, kiosks, coffee shops, campus bus, borrowing books and used as debit cards, among others.

■ Student Clubs

Some 60 students clubs are available on campus, covering various sports, leisure, culture and arts, religious and volunteer services, as well as various academic fields. The clubs are also open to international students.

■ Major Events on Campus

Exciting activities take place on campus including the Hanmaek Festival, a cultural festival organized by the Student Union and Student Clubs in May every year, an academic festival held in October. During the academic festival period, graduates display their year-long work in an exhibition. Furthermore, various events take place around the dormitories, such as the festival at Resident Student Night organized by the individual dormitory councils, and various sports games and competitions led by Student clubs take place on the campus that add to the dynamic spirit on campus.

5. Important Note

■ Korean Proficiency Test

Minimum Korean proficiency Requirement for Applicants- At least level 3 in TOPIK (Test of Proficiency in Korean)

- Dual applications are not accepted.

Applicants must apply for this program via only one institution

- Applicants must maintain a grade point average (G.P.A.) of at least 2.64 on a 4.0 scaled, 2.80 on a 4.3 scale, 2.91 on a 4.5 scale, or grades/marks/score of 80% or higher from the previously attended institution.

If an applicant does not satisfy the above GPA criteria, he/she will be disqualified from applying to this program.

III. Campus Guide & Important Notes

1. Campus Guide (Resident Hall, etc.)

● Introduction of Kyungsoong University

In 1955, Kyungsoong University is established by the Reverend Dr. Kim Gil-Chang, a pioneer of Christianity in Korea. the university has 9 undergraduate colleges (Liberal Arts, Law and Politics, Commerce and Economics, Science, Engineering, Pharmacy, Arts, Theology, and Multimedia) encompassing 5 different faculties and 50 departments. 1 faculty and 10 departments offer classes through the Evening College. In 2004, the Ministry of Education & Human Resources set our school's maximum enrollment for freshmen at 3,120 students. There are 7 graduate schools (General, International Management, Multimedia, Education, Social Welfare, Clinical Pharmacy, and Digital Design). 9 affiliated organizations and seven affiliated research institutes have been established to aid teaching and research. Kyungsoong University's 700 employees and over 13,000 students are all working together to achieve the school's educational goals.

● Introduction of Busan

Kyungsoong University is located in Busan, the 2nd largest city in Korea. Busan is a beautiful coastal city with two of the most famous beaches in Korea, Haeundae Beach and Gwangalli Beach. Kyungsoong University is located in

center of Busan and Busan is the first port city which Busan International Film Festival (BIFF), Busan Sea Festival, Busan Fireworks Festival, Busan International Rock Festival, Busan Biennale, The New Year Festival and various festivals are held every year.

- Attractions in Busan : Busan is usually called 'Marine City' by many people. There are many famous beaches, such as Haeundae, Gwangalli, Song-jung Beach, Song-do Beach, and Dadaepo Beach. Busan is the city of mountains as it is named. Most of the mountains are at an elevation of about 500 meters which is not very high, nor low. There are well-known mountains such as Geumjeongsan Mt., Jangsan Mt., Baegyangsan Mt., Hwangnyeongsan Mt., and Seonghaksan Mt. Famous parks in Busan are APEC Nuri Park, Children' Grand Park, Youngdusan Park, Geumgang Park, Amnam Park, and Samnak Riverside Park. Cultural Centers of Busan are Busan Cultural Center, The National Center for Korean Traditional Performing Arts in Busan, Busan Museum of Art, Geumjeong Cultural Center, Haeundae Cultural Center

● Dormitory(Nuri Dormitory)

The Nuri Student Living House, Kyungsoong University's dormitory, was built to attract excellent students who are from the suburbs and to correspond with the new image of the university of a high-quality institution. The 15-story Nuri Student Living House can accommodate around 660 students in 330 rooms. Each room can accommodate two students and is designed with a deluxe bathroom, HVAC and refrigerator so that students can enjoy the most pleasant and comfortable campus life. As subsidiary facilities, there are a fitness center, a table tennis room, laundry rooms for men and women, dining room holding up to 400 people, a convenient store, a post office, a student lounge, an internet cafe, a party room, a students' autonomy office, a language lecture room, a conference room and an assembly hall. Besides, rest rooms, meditation rooms and reading rooms are provided on every third floor respectively.

● Sports Center

Our university operates a sport center in campus to lead more balanced student life to be healthy and happy. The sport center is equipped with a variety of exercise equipments for both aerobic exercise and work with weights and it have indoor swimming pools that have no chemical smell by setting up ozone filtering systems, water softeners, and facilities for blocking ultraviolet rays. Also in the sport center, there are a fitness center having a wide space for stretching, Squash Court fitting out with wooden floors and safety glasses and Aerobics room equipping with optimal surround sound systems and wooden floors.

● Welfare Facilities For Students

Kyungsung University's student welfare facilities consist of student convenience facilities and general campus facilities. Student convenience facilities include the departmental meeting rooms, men's and women's lounge areas in each college, club meeting rooms, and student council offices. Campus facilities include student and faculty cafeterias, snack bar, general store, barbershop, beauty parlor, copy center, photo shop, optical center, computer store, travel agency, coffee shop, bank, and post office.

● Cultural Life on Campus

Throughout the years many kinds of academic and artistic festivals are held to enhance school spirit and to further the ideals of the university. The Daedong Festival is held each year around May 30, the anniversary of the founding of Kyungsung University. Each department also holds its own "Fall Festival" during the fall semester. Various volunteer service activities are carried out by student groups including volunteer agricultural service three times every year during the spring, summer, and fall.

V. Application Procedure

Admission decisions are based on the candidate's academic achievements and potential, as well as his or her personal accomplishments.

The admissions committee reviews a number of factors including records of past studies (such as GPA), study plan, personal statement, and letters of recommendation. Other records of achievement and specific qualifications such as language proficiency are also taken into consideration. Candidate's application is reviewed in the context of the level of studies completed, quality of achievement and characteristics of institutions attended. Finally, the appropriateness of the applicant's academic goals and suitability of preparation for the proposed program of studies are assessed.

Interviews, examinations, and/or additional documents may be required from the applicant, based on the policy of the particular college or department. Applicants will be notified via individual email should an interview or a separate exam be necessary.

VI. Campus Life

1. Housing

- Housing on campus, composed of 2,600 units in 28 buildings, can accommodate up to 4,500 students.

2. Library

- Seoul National University's Central Library has been improved since it was built in 1946. It is well equipped with modern facilities and a wide range of resources. As well as the Central Library, students can access other individual libraries located at and operated by corresponding colleges.

3. Club Membership

- There are more than 100 different clubs registered and actively running, covering various areas of interests including sports, culture, performing arts, academic fields, religion and etc.

4. SISA(SNU International Student Association)/IGSA(Int'l Graduate Student Association)

- A community organized for international students

5. Academic Support

- To support international students, there are a number of programs offered: Korean language/culture classes, courses taught in English, classes available online, workshop/tutoring sessions for thesis writing and counseling programs for study and research.

6. Supporting other things

- As well as the academic support, International Office provides other supports

and services to make students' life easier and more convenient. Career Development Center offers career counseling and job consulting. Moreover, students can be benefited from mentor-mentee program, SNU buddy program, counseling program and culture programs as well as easy access to various restaurants, cafeteria, and medical services.

VII. Important Notes

- Those who attended or graduated from a University in Korea for their undergraduate/graduate studies(including exchange student) are not eligible to apply.
- Applicant may apply through only a single recommending institution, which includes diplomatic office, university, adoption organization. If applicant applies via more than one recommending institution, (i.e. two different universities or from a university and from diplomatic office) he/she will be eliminated from the selection list.
- Documents submitted to the recommending institution for the application process will not be returned.
- If the information submitted in the application package is unclear or if any part of application material is missing, his/her application will not be subject to evaluation. If such issues are found after the admission has been offered, the admission will be rescinded.
- Personal Medical Assessment cannot contain any false information. If any conditions which can affect long term international study are found during the health examination conducted after the offered admission, the admission decision will be rescinded.
- Submit 1~2 copies of the dissertation/thesis for the record of the same
- For record of awards, submit photocopies of the awards notarized/certified by the issuing institution.
- Once the applicant is offered admission, he/she cannot change the school or desired program of their choice.
- All submitted documents must be originals. If the document is not drafted in Korean or English, it must be accompanied by a certified Korean or English translation.
- If submitting a photocopy of the required document, applicant must obtain a form of certification/notary from the issuing institution confirming the validity of the copy as being the same as the original.
- Specific information regarding the grades/points awarded or recommendation rankings will not be disclosed.
- If additional information are required during the evaluation process, additional documents may be requested for verification purposes.
- Applicant is responsible for any disadvantage resulting from error, omission or incorrect input of requested information. Please pay careful attention while completing the application form to avoid any issues. Once the application has been submitted, changes (including the application information or desired program of their choice) cannot be made.
- Desired program of study cannot be changed even after the enrollment.

4. BUSAN CITY

Silla University is located in CitBusan, a bustling city of approximately 3.6 million residents, is located on the southeastern tip of the Korean peninsula. The size of Busan is 768.408km² which is 0.8% of the whole land of the Korean Peninsula. The natural environment of Busan is a perfect example of harmony between mountains, rivers and sea. Its geography includes a coastline with superb beaches and scenic cliffs, mountains which provide excellent hiking and extraordinary views, and hot springs scattered throughout the city. Busan enjoys four distinct

seasons and a temperate climate that never gets too hot or too cold.

Busan is the second largest city in Korea. Its deep harbor and gentle tides have allowed it to grow into the largest container handling port in the country and the fifth largest in the world. The city's natural endowments and rich history have resulted in Busan's increasing reputation as a world class city of tourism and culture, and it is also becoming renowned as an international convention destination.

■ School Facilities

1) Library

UNIST Library can provide faculty, staff, and students with a variety of information and digital data bases such as E-theses, journals, audio-books, periodicals, especially E-education materials, and E-books, to give users online access to high quality educational resources.

2) Dormitory

UNIST Dormitories are cozy apartment-style lodgings with separate heating and air conditioning. The dorms also play a role in developing global networks among students as the residents use English as a medium of communication.

3) Sports Center

Sports Center has swimming pool, squash court, indoor golf training court and fitness center. UNIST offers all of these facilities for students as well as the community.

4) Center for Healthcare and Counseling

A welfare agency protects and promotes UNIST member's health of psychologically and physically. We provide health screenings, immunizations and health assessments, including consultations on health, disease treatment and prevention activities, first aid, individual counseling on psychological testing, group counseling, mental health counseling, and workshops.

5) UNIST Career Development Center

The center provides internship and leadership programs, career counselling, and employment preparation services in order to assist students.
