Spend your summer in Korea and earn transferable credits.

- Choose the courses that best suit your college degree and general elective needs from a range of courses in international business, science and technology, humanities, social sciences and the arts as well as the Korean cultural wave "Hallyu", East Asian studies and Korean studies.
- Visit Korean organizations, museums, temples and historic sites.
- Explore the DMZ and other locations of national and cultural significance.
- The language of instruction is English for all courses.

Korea is a country that embraces both a modern and traditional way of life. Korea displays its diverse aspects with "K-POP" music, drama and movies as well as the latest trends in IT and the fashion industry, providing an image of a modern and representative culture in Asia. You'll experience the depth of Korea during your short-term stay.
