# What we experienced at SLI

## Zhang Yinuo

Level 6 / China / Session 3, 2022~ Session 2, 2023

I'm excited to share that I've been accepted into my dream graduate program after completing all six levels at SLI in one year. I couldn't have done it without the amazing support of my teachers. The challenging curriculum at SLI has been tough but incredibly helpful for achieving my goal of studying abroad. Don't be afraid to take on new challenges – they can lead you to your dreams.

## Kiatcheewaporn Siriwarangkana

Level 3 / Thailand / Session 3~5, 2022

A friend of mine, a SKKU graduate student, recommended the SLI. I am impressed that teachers are dedicated to each student. My teachers encouraged me when struggling with communication and culture problems, which helped me to concentrate on learning.

## Kevine Ngamba

Level 6 / Gabon / Session 1~5, 2022

What stood out to me is that all teachers taught us how to bring vocabulary and grammar to life, in a fun and entertaining way. I was fortunate enough to take part in a quiz show for a famous YouTube channel. I find this experience particularly valuable because I was able to speak out what I learned at the class and assess just how much I have learned so far. Like I did, lots of chances to participate in activities and to make a few valuable friends are here. I truly cherish the memories I created here.

# SLI Undergraduate Preparatory Track

## • What is Undergraduate Preparatory Track?

The Undergraduate Preparatory Track is for high school graduates aiming to enroll in an undergraduate program at SKKU.
