*Create Your Own Opportunities!*

Korean Training Center for Government-invited scholarship students  
designated by National Institute for International Education  
Korean Training Center for 'Critical Language Scholarship Korean Program',  
'National Security Language Initiative for Youth Korean Program'  
designated by United States Department of State

# Introduction

The intensive Korean language program is designed for foreigners to improve their comprehensive and communicative Korean language skills. This 10 week-long course is available all year round for foreign students(including Koreans who grew up overseas) who have graduated from at least high school. This program is for people who wish to study the Korean language intensively in order to pursue academic or professional goals, such as going to college or graduate school or pursuing a career that requires Korean language skills.
