ABOUT CBNU

Office of International Affairs

CBNU maintains an extensive international network in Korea with over 300 partner institutions in 60 countries and educates over 1,000 international students. CBNU has been exchanging programs and ideas with colleges and universities around the world in order to cultivate globally-minded students.

CBNU Office of International Affairs(OIA) provides strategic direction for Chungbuk National University's global endeavors in its mission to become the world university in Asia. Since its establishment in 2000, CBNU OIA has developed significant partnerships with leading universities around the world to develop collaborative global strategies and programs. We always ensure a culturally rich environment for international students on campus.

International Exchange Programs

60 Countries

300 Universities

The office consists of three teams: the International Relations Team, International Students Support Team, and International Language Education Team.

The International Affairs Team is in charge of International partnerships, and student exchange programs including International Summer and Winter schools every year. International Students Support Team and International Language Education Team are in charge of supporting the international community by providing various types of Korean language classes and administrative support for international students and exchange programs.

Student Mobility

Programs for Inbound students
