Guidelines for Applicants

- 1 All documents must be submitted in their original form in either **Korean or English**. Documents in languages other than Korean or English must be submitted with **translations in Korean or English**.
- 2 If submitting original documents is not possible, a **copy certified to be matching the original document** from the issuing authority or **notarized copy** must be provided. The **notarized copy must be the 'original' notarized document**, not a copy of the notarized document. (Original documents, if submitted, will be returned after verification.)
- 3 If any discrepancies are found in the application form or if the required documents are found to be incomplete during the eligibility review (Step 1), the application will be marked as "rejected" and excluded from consideration..
- 4 If an applicant is found to have submitted **false information or falsified or altered documents** to gain admission, **the admission will be revoked, even after enrollment, and the tuition fees will not be refunded**.
- 5 Admission scores will not be disclosed, and **submitted documents (records) will not be returned**.
- 6 Once the application is submitted, changes to the application details or cancellation will not be allowed. Applicants are responsible for any errors, omissions, or inaccuracies in their online application, so careful attention is advised when filling out the forms.

- 7** Successful applicants must pay the tuition fees by the specified deadline. (The tuition fees for the first semester cannot be paid in installments.) Failure to make payment will result in the cancellation of admission.
- 8** Applicants who are the **prospective graduates** must submit their diplomas and academic credential verification documents by **August 22, 2025 (Fri)**. Failing to meet the deadline will result in the **cancellation of both admission and enrollment**.
- 9** For students applying for a visa at a diplomatic mission abroad, a standard admission letter will be issued.
- 10** If an admitted student is unable to enroll due to unavoidable circumstances or decides not to enroll, they may receive a refund of the tuition fees in accordance with the university policy.
 ※ New students will be provided a full refund of the tuition if they decide to withdraw their registration before the official enrollment date. If they withdraw 'after' the enrollment date, the tuition will be refunded after subtracting the amount corresponding to the number of class days attended from the enrollment date to the withdrawal date. (The admission fee is non-refundable if the student withdraws after the enrollment date.)
- 11** All admitted students must enroll in accident insurance, effective from the date of entry into Korea, to cover any potential accidents or illnesses during their stay. (The insurance must be maintained throughout their studies.)
 According to the National Health Insurance Act, international students are automatically enrolled as regional subscribers of the National Health Insurance, as of March 2021.
 ※ National Health Insurance Service: Website <https://www.nhis.or.kr/> Phone +82-33-811-2000
- 12** The financial support statement must be filled out by either the applicant, their father, or their mother, unless the applicant is receiving a scholarship.
- 13** Any matters not explicitly stated in these guidelines will be decided by the Admissions Committee.
- 14** The admission guidelines are available in Korean, English, and Chinese. In case of any discrepancies, the Korean version will prevail.
- 15** If the documents submitted by the applicant do not provide sufficient information for verification, additional documents may be requested, and applicants failing to submit requested documents will be rejected.
- 16** The applicant's personal information will only be used for the purposes specified below and will be properly disposed of at the end of the retention period. (In the case of applicants who register with the university, this information will be used for academic records.)

□ Collection and Use of Personal Information (Required)

1. Kangwon National University collects and uses personal information from applicants for graduate school admission as follows:
 - ☐ Applicant information: name, alien registration number, passport number, address, (mobile) phone number, e-mail, bank account number
 - ☐ School information: educational background, schools attended, (expected) year of graduation, and period of study and stay abroad
 - ☐ Occupational information: Occupation (classification, etc.)
 - ☐ Others: language test scores, letters of recommendation, etc.
2. The collected personal information will be used solely for admission, scholarship management, academic affairs, statistical purposes, course registration guidance, visa and residency management, and dormitory placement and will not be used for any other purposes. Once the retention period (10 years) has expired, or the purpose has been achieved, all personal information will be immediately disposed of.
