※ Applications must be submitted by stated deadlines.

※ For more information on deadlines, Application Guide 1-1.

2. Notes when Submitting Documents

- A. Students who are expected to graduate from high school can apply only if they can submit the graduation certificate that received an apostille within 1 month of apostille admission. Admission will be cancelled if not submitted.
- B. If the submitted documents have different names or dates of birth, a certificate certifying that they are the same person must be attached.
- C. Documents not written in Korean or English must be submitted with either a notarized Korean or English translation.
- D. A self-introduction and study plan must be written in either Korean or English.
- E. Documents proving family relations by country are required. See examples below:

Philippines: Family Census, Indonesia: Family Relations Certificate (KARTU KELUARGA), Bangladesh: Jumma Kakauz or Jumma Side Ticket, Vietnam: Family Register (So Ho Khau) or Birth Certificate (Giay khai sinh), Mongolia: Relations Certificate, Pakistan: Family Certificate, Sri Lanka: Failer Certificate, Myanmar: Family Relations Certificate (Ying Taung Suyen), Nepal: Jeon Madalda, Kyrgyzstan • Kazakhstan • Uzbek • Ukraine • Thailand: Birth certificate

F. In addition to the documents to be submitted in the application guide, other documents may be requested that are necessary to confirm the facts in relation to your application qualifications.

※ Submitted documents will not be returned.

Information on Apostille and Consular Confirmation

1. Academic Background Confirmation

Applicants must select one of the following “A or B” for high school–issued graduation (expected) and transcript documents and submit them to the school within the original document submission period. Admission will be canceled if original documents are not submitted within the period.

A. Documents of academic background (high school graduation (expected) and transcripts) confirmed by apostille

B. Educational background (high school graduation (expected) and transcripts) documents confirmed by the Korean consulate in the country

2. Apostille Issuance Procedure

A. Public Documents (National, public schools etc.)

B. Private documents (Private schools, etc.)

Notice

1. Application and Registration Matters

- A. The application qualifications are reviewed comprehensively, including the basic examination and study plan, so the details of the evaluation are not announced. If additional documents are required during the screening process, applicants will be contacted individually.
- B. Applicants are responsible for submitting all documents, and please note that any disadvantages caused by non-submission of documents are the responsibility of the applicant.
- C. Since text messages or e-mails on mobile phones are often used for emergency contact, it is important to provide an accurate mobile phone number and e-mail address, as well as a telephone number where applicants or guardians can be reached quickly during the admissions process.
- D. If you do not pay the tuition fee by the due date after admission, your admission will be cancelled.

2. Screening Related Matters

- A. If the applicant fails to comply with the prescribed procedures and screening, or submits incomplete documents, the applicant will be disqualified.
- B. Forgery or falsification of submitted documents, fraudulent information or interviews, etc. will result in rejection of the application. Furthermore, upon discovery of fraudulent documentation after enrollment the student will be expelled.
- C. If it is determined that the applicant's academic background does not meet the university standards, they will not be selected.
- D. The content of the admission screening evaluation is not disclosed.
