

PROGRESS STATS WITH YOU

About Y's U

Since 1983, Y's U has been providing a world-class education designed to help our students thrive professionally and personally long after they graduate. Led by our strong, progressive values, our globally renowned educators will give you the skills, knowledge and support you need to make your study choices matter.

Ranked in the top 2% Nationwide 1.

In 2025, Y'U is ranked between 1201~1400 in the QS World University Rankings. In the hospitality and leisure category, Y's is ranked 3rd in nationwide and 46th in the world.

Prepared for employment 2.

We include real-life industry experiences in our degrees and have a great range of career-readiness initiatives to help you graduate with skills for your future careers.

Support your needs to succeed 3.

You will have access to a wide range of services to make sure you are supported and connected.

The Perfect Place to Study

We offer one of the best campus experiences in the world in a location renowned for its relaxed and safe lifestyle, wonderful climate and vibrant and diverse culture.

BUSAN

Busan, the home of Y's U Haeundae campus, is the second largest city of Korea and its economic and cultural hub. Young and progressive, the city is fast becoming a center in the Northeast Asia for business, investment, major events and education. It is also home to over 100 nationalities and 110 languages.

FOOD

You can find cuisine from almost every culture. From affordable lunchtime offers, to reasonably priced cafes, pubs, restaurants and farmers' markets, there is plenty to choose from and plenty of new culinary experiences to be had.

GETTING AROUND

Busan has an extensive bus, subway and train network that makes it easy to get around. A 'K-pass' will allow you to travel on all Busan public transport at discounted student prices.

Y's U Korean Language Education Center has been delivering Korean language programs to international students

1. Korean Language Program

Join our highly popular Korean Language Program to gain the Korean skills necessary to study a Y's U degree. There are five levels in the Korean Language Program, and you will be placed in the appropriate class based on the results from your proficiency test. You will build your Korean language skills in reading, writing, listening and speaking that will help you to be successful in your studies at bachelor, master or PhD level. When you successfully complete the Korean Language Program at the equivalent of the TOPIK(Test of Proficiency in Korean) level needed for your degree, you can enter your program directly without needing to submit an official proficiency test result.

2. Fees

Your tuition fees for Korean language program is 1.25M Korean Won per semester.

3. Classes

lass sizes at Korean Language Education Center are small so you will receive personal attention from your teachers and progress quickly through your studies. There are 20 hours of classes per week, Monday to Friday.

4. Semesters

Spring(start-March), Summer(end-May), Autumn(start-September), Winter(Start-December)

5. Application dates

We recommend that you apply 3 months prior to the semester starts.
