WHY LEARN KOREAN LANGUAGE AT DKU?

Authentic Korean Language Institution (Since 1988)

Our highly qualified instructors provide an authentic Korean learning experience using curricula and textbooks developed over years of dedicated teaching to international students.

Diverse Student Body

Students from more than 50 different countries inspire one another to enhance their Korean language skills. To maintain an optimal learning environment, we ensure that no single nationality exceeds 30% of any class.

Officially Designated Korean Language Teacher Training Institution

Officially designated as an institution authorized to offer Korean language teacher training courses and issue the Certificate of Korean Language Teacher.

Official TOPIK Test Center

As an official TOPIK test operating institution, our students conveniently take the TOPIK test on campus through group registration and aim to obtain high scores after attending TOPIK preparation classes.
