- Student & Psychological Counseling, Career Support

## Comparison of Study Abroad Models

### Traditional

- Require 4 years of study in Korea
- High living costs
- High Tuition
- Lack of prior experience in Korea
- Higher risk of academic failure

### New

- Start online, then study in Korea for a shorter period
- Lower living costs
- Low Tuition: 35% of Traditional University Costs
- Pre-arrival experience in Korean education and culture
- Increased success rate when studying in Korea

## Hanyang Cyber University's Achievements

### The Nation's Largest

HYCU is home to the largest student population among online universities in Korea

Student

16,802

### The Nation's First

HYCU has launched the first doctoral program in the country. In 2024, approval was gained to expand the existing general/professional graduate school to offer the first doctoral program among Korean cyber universities.

2 Graduate Schools  
9 Majors

### HYCU is the first to gain top ranking in the World University Rankings for Innovation (WURI) TOP100

In June of 2024, WURI announced that HYCU had gained the ranking 6th – the first among Korean universities – in the category of Culture/Values

WURI 2024 TOP 100

6th Place  
in Culture/Values

# Make It Happen!

## **HANYANG CYBER UNIVERSITY to the WORLD**

Hanyang Cyber University has proudly led the development of online higher education as the No. 1 online university in Korea. Bringing yesterday's future to today, Hanyang Cyber University will become the key player in the transformation of higher education worldwide in the hyper-connected and transboundary era.
