Where is Hanyang Cyber University located?

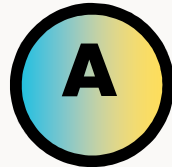

Hanyang Cyber University is located on the campus of Hanyang University.

(Address: 220 Wangsimni-ro, Seongdong-gu, Seoul, Republic of Korea)

What is the difference between Hanyang University and Hanyang Cyber University?

While both universities are operated by the same educational foundation, Hanyang Foundation, there are key differences between them.

Hanyang University is a four-year offline university officially accredited by the Korean Ministry of Education, whereas Hanyang Cyber University is a four-year online university, also accredited by the Ministry of Education, and operates as an independent institution.

At Hanyang Cyber University, all classes and exams are conducted entirely online, so there is no need to attend campus in person. Students can study anytime and anywhere, offering great flexibility.

Upon graduation, students receive a bachelor's degree from a fully accredited four-year university.

If I enroll at Hanyang Cyber University,
do I need to go to Korea to take classes?

Q

A

All courses at Hanyang Cyber University,
including examinations, are conducted
entirely online.

Q

Can I receive the GKS scholarship?

A

Online universities are not eligible institutions for the
GKS scholarship.

However, Hanyang Cyber University offers tuition
fees that are about 40% of those at traditional offline
universities. Moreover, since there are no settlement
costs in Korea, students can conveniently earn a
Korean university degree even while living abroad.
Additionally, international applicants are eligible for
scholarships of up to 40% for their first year, making
it an even more affordable and practical choice.

What are the graduation requirements?

More than 140 credits /
a minimum GPA of 1.5 throughout all
academic years /
complete at least 8 semesters
(early graduation is possible after 6
semesters) /
TOPIK Level 4 or higher
These are the basic requirements.

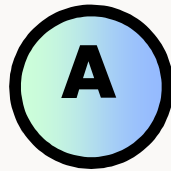

Please note that the requirements may
differ if you pursue a double major or a
minor, so make sure to check the detailed
information on the Hanyang Cyber
University website.

Are there any offline gatherings for international students?

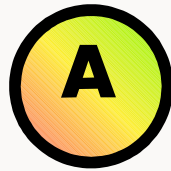

There are currently no separate gatherings specifically for students.

However, students can participate in various offline activities such as major (department) community meetings, orientation sessions, clubs, and offline lectures through their academic departments.

Where can I ask questions during my studies?

You can contact us through your department's website or telephone inquiry, or reach the External Cooperation Team at Hanyang Cyber University, which is in charge of international student affairs, via email at global@hycu.ac.kr.

You can also join our KakaoTalk group chat for international students and conveniently leave your questions there. We'll be happy to reply 😊
