6. Note to applicants

1) Basic college admissions (Higher Education Act)

■ Actions for dual enrollees

After the end of the entrance examination, the application, admission, and enrollment status of all new students will be checked electronically, and if prohibited multiple applications and dual enrollment are found, the admission will be invalidated even if you are still enrolled in the university, so be sure to check the following before submitting your application to avoid being penalized. However, the principle of prohibiting multiple applications and dual enrollment does not apply to universities (including vocational colleges, colleges of education, and industrial colleges) and universities and various schools established by special laws.

※ Universities that do not apply the principle of multiple applications and dual enrollment: Army, Navy, Air Force Academy, Police Academy, Korea Advanced Institute of Science and Technology (Korea, Gwangju, Daegu, Gyeongbuk, Ulsan), Korea Polytechnic University, Korea University of Broadcasting and Telecommunications, Korea National University of Arts, Korea National University of Traditional Culture, Korea University of Agriculture and Fisheries, and other universities and schools established under laws other than the Higher Education Act.

① Prohibition of multiple applications

- Applicants who have been accepted to rolling recruitment universities (including vocational, industrial, and education universities) (first-time applicants and recruitment applicants) are not eligible to apply for "regular and voluntary (additional) recruitment", regardless of whether they are enrolled
- Those who are initially admitted to rolling admissions (including additional admissions announced by the university autonomously before the registration period) are not eligible to apply to regular and autonomous (additional) admissions, even if they do not register.

② Prohibit double registration

- Applicants who are admitted to the rolling admission must pay the deposit to only one of the universities to which they are admitted, and if they pay the deposit to more than one university, they will be considered dual enrollment and their acceptance or admission will be canceled.
- If a rolling and fixed-term admitted student receives an offer of admission from another university during the admission announcement period, the admitted student must immediately communicate his/her intention to waive enrollment at the university in which he/she does not wish to enroll.

2) Consent to the collection and use of personal information

Our university entrusts the collection of personal information in accordance with Article 35 of the Enforcement Decree of the Higher Education Act (Entrance Examination Data) for the purpose of entrance examination, and hereby informs you of the entrustee and the contents of the entrusted work in accordance with Article 26 of the Personal Information Protection Act.
