KU KONYANG UNIVERSITY

MESSAGE FROM THE PRESIDENT

Konyang University was founded in 1991 with the intention of producing outstanding individuals who, based on good humanity, seek truth, create history, and serve for the community. Konyang University is a student-centered teaching university that actively reflects students needs in the educational system and infrastructure. All of the staff members at Konyang University have passionately worked to have educational consumers, students and parents impacted by the educational services of Konyang University.

Konyang University has made progressive strides. With the specialized Nonsan Interdisciplinary & Creative Studies Campus and Daejeon Medical Campus, the university will grow as a new prestigious university of the Asia Pacific. Nonsan Interdisciplinary & Creative Studies Campus will demonstrate a new model of academic-industrial cooperation and promote a characteristic department and Daejeon Medical Campus will focus on specialization and improve professionalism through the departments of medical of bio medical centered linked to Konyang University Hospital.

Konyang University is a university that has a master development plan and invests in your dreams and future. Based on honesty, we will provide a thorough education and will strive for 100% employment rate of our graduating students; through systematic job preparation education of the ACE Job Placement Center.

Along with an era of internationalization, we will actively promote and support overseas employment for producing global human capitals. We, all the Konyangians, will do our best to help you achieve all your goals, enjoying all the benefits we provide during your four year stay at Konyang.

Hi-Soo Kim, M.D., Ph.D.
President of Konyang University
