Introduction of CAU(Chung-Ang University)

Since the establishment of Chung-Ang University in 1918, CAU has been a leader in globalization in Korea and has been a pioneer of education as the "Cradle of Education." Initially established as the Chung-Ang Kindergarten at the Chung-Ang Methodist Church in 1918, it has now become one of Korea's leading comprehensive top 7 universities.

- ▣ Established in 1918
- ▣ Faculties: 13 Colleges and 16 GraduateMajors
- ▣ Student: 28,903[* International students: Undergraduate (1,187), Graduate (630)]
- ▣ Professor: 2,736

WHY CAU?

CAU is a globally-recognized educational institution with over 478 partner universities and over 3,600 international students from all over the world. CAU not only fulfills international students' academic needs, but also gives them a chance for engaging in Korean related studies as well as giving them a rich cultural experience and many opportunities for advancement through on-campus jobs and internships at companies.

- ▣ Over 10 million USD in Research Funds
- ▣ Over 924 courses in English
- ▣ Customized Courses for Exchange Students regarding Korean Related Studies

Incorporation of Chung-Ang University by Doosan

CAU has dramatically developed since its incorporation as an educational institution with the global corporation Doosan Group.

Doosan is:

- ▣ Korea's oldest business organization with a proud history of 120 years
- ▣ Enriching the world as an ISB(Infrastructure Support Business) Leader

Since its incorporation, CAU has gone through powerful self-reforms and gained a higher reputation as an educational institution.

- ▣ The 7th in 2016 Joongang Ilbo Comprehensive Korean Universities Ranking
- ▣ The 60th in 2017 THE(Times Higher Education) Asia Ranking
- ▣ The 3rd for Internationalization in Korea in 2017 THE Asia
