## Introduction to Gangneung-Wonju National University(GWNU)

Since its foundation in 1946, GWNU has been the only public university in the Yeongdong region of Gangwon Province producing fine human resources and leading regional development. Furthermore, through the recent union with Wonju National College in March 2007, fresh impetus for indefinite progress has been provided.

The Gangneung campus consists of seven colleges(College of Liberal Arts, College of Social Sciences, College of Natural Sciences, College of Life Sciences, College of Applied Sciences, College of Arts and Physical Education, College of Dentistry) and four graduate schools(School of General Studies, School of Business Management Policy Sciences, School of Education, School of Industrial Sciences). The Industry Academic Cooperation Group consists of the Business Startup Support Department, Small to Medium Sized Industry Academic Cooperation Center, Gangwon Embedded Software Cooperative Research Center(ITCRC), East Coast Marine Life Resources Research Center, Innovative Engineering Education Center, and Marine Life Research Education Center, and within the research center itself includes the Humanity Research Center, Social Science Research Center, Natural Science Research Center, East Coast Life Science Research Center, Engineering Research Center, Arts and Physical Education Research Center, Oral Science Research Center, Disaster Prevention Research Center, Urban and Local Area Research Center, Science Technology Research Center, Multiculturalism Research Center, Health and Welfare research center, and Dental Technology Research Center.

Wonju Campus offers two colleges(College of Health and Welfare, College of Science Technology) and Social Welfare Research Center, Science Technology Research Center, Multiculturalism Research Center, and Central Region Industry Academic Cooperation Center.

In order to strengthen international cooperation, we have concluded an academic exchange agreement with 73 overseas universities and research institutes in 27 countries to provide student or professor exchange programs and promoting various research exchanges.

In order to augment international cooperation, we have academic exchange agreements with 73 universities and research centers in 27 countries, promoting the interchange and exchange of students, instructors, and research.

GWNU is well known for its low institution fees, plentiful scholarship opportunities as well as the provision of a warm and friendly dormitory environment.  
Make your dreams come true at GWNU.

## Introduction to the Korean Language School (KLS)

The Korean Language School (KLS) is an academic institute of GWNu grooming international talent who will engage in trade, exchange and cooperation with Korea.

## Education Environment & Facilities

KLS courses are taught by experienced professional teachers who hold degrees in Korean Language and Literature. GWNu provides its excellent facilities to all KLS students to maximize study achievement.

## Cultural Experiences

KLS carefully designed field trips, cultural experience and special lectures by experts in different fields are regularly scheduled giving students a comprehensive Korean education, not only in Korean language but a greater understanding of Korean society culture and history. In addition, the KLS have a buddy program for students to experience Korean society more closely.

## Discover the beauty of Gangneung at the KLS

Gangneung is the pride of the KLS. Gangneung is located in the Yeongdong region and is home to much history and a beautiful environment. The area has many stunning mountains such as Seorak Mountain, one of the most beautiful mountains in Korea, lush forests which harmonise with the emerald green East Sea. Nestled amongst this natural beauty are the interesting historical and traditional sites of Ojukheon and Naksan Temple. Furthermore, many places offer four season sports; Ski, Golf, Climbing, Swimming and other water sports.

## Affordable Tuition Fees and Economic Living Costs

As KLS is run by a national university, we offer the best education at an affordable cost. Also, Gangneung, a midsize city with about 21,000 residents, provides you with a much safer and more convenient environment with lower living costs than other cities.
